Government of Mysore.

No.D1-2758.
Encl. Two.

Office of the Director of Food Supplies in Mysore, Bangalore. 28th October.1944.

To

The Secretary to Government,
Development Department (Supplies),
Bangalore.

Sir,

Subject:- Weighment of fuel lorries -
Appointment of additional staff for -

I have the honour to state that lorries of this Department which bring fuel to Bangalore City are at present being weighed on the weigh-bridge located in the premises of the office of the Inspector General of Police, prior to unloading at the Reserve Depot. Government have been pleased to sanction my proposals for the weighments being made without payment of any fee therefor.

2. The Inspector General of Police wrote to say that the hours of weighment would be restricted from 12 Noon to 6 P.M. and that the weighments should be done during the office hours only for want of additional staff to attend to the extra work involved. This in practice was not possible as lorries come from different leads and cannot time their arrival between these hours. Often gas plant lorries travel very slowly and arrive after 6 P.M. I therefore requested the Inspector General of Police to continue weighments being arranged as at present as otherwise loaded lorries would be required to wait unnecessarily and that would affect the receipts of fuel in the City. Meanwhile, proposals for adequate staff to attend to this work were obtained from the Special Officer, Fuel Supplies. The proposals are as contained in letter No.F.175 dated 8th October 1944 sent by the Special Officer, Fuel Supplies (copy enclosed.)

3. As the appointment of an official exclusively for this work, i.e., to attend to weighment of fuel lorries out of office hours, is very necessary and as some remuneration has to be paid for the overtime work done by the officials of the office of the Inspector General of Police, I request that orders of Government may kindly be obtained for : -

4. i) Appointing a Clerk on Rs.40/- p.m. to attend to the weighment of fuel lorries out of office hours in the office of the Inspector General of Police;

ii) Payment of overtime allowances to one of the officials of the office of the Inspector General of Police who attended to this extra work at 1/8 of his pay per day for each hour of extra work.

5. A copy of letter No.TC.65/44 dated the 24th October1944, from the Inspector General of Police agreeing to these arrangements is also enclosed for the information of Government.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

Letter No.F1-75/44-5 dated 8th October 1944, from the Special Officer, Fuel Supplies, Bangalore City, to the Director of Food Supplies in Mysore, Bangalore.

Weighment of fuel lorries on the weigh-bridge of the office of the Inspector General of Police.

--

In inviting a reference to letter No.TC.65/43-4 of the 5th October from the Inspector General of Police to you restricting, for the reasons stated therein, the weighment of fuel lorries to the working hours, i.e., 12 Noon to 6 P.M., I have the honour to state that such a restriction will operate as a great inconvenience. Lorries usually start arriving at Bangalore City at about 11 A.M. and continue to come in at all hours until about 8 P.M. at night. If lorries are not weighed in the evening on arrival, the lorries will have to remain standing with the load overnight and until the weighbrid is opened. This willnot only be bad for the springs but will prevent the use of a lorry until 12 Noon the following day.

I agree that it is a hardship to expect the Clerksof the Motor Branch (I.G. of Police Office) to attend to our work out of office hours and recommend that for the period they have attended to this work they be paid an overtime allowance equal to a day's pay divided over the number of hours they have worked over time. A day's pay may be calculated as for 8 hours, e.g , a Clerk on Rs.30/- per month on this duty gets a daily pay of Re.1/- for 8 hours or 2 annas per hour. If he has attended to weighment between 8 A.M. to 12 Noon he should be paid an overtime allowance of 8 annas. I believe the overtime proposed is fair and may kindly be sanctioned.

As for the future conduct of this work, I recommend the appointment of a Clerk on Rs.40x/- per month who will be attached to the Motor Branch of the office of the Inspector General of Police and who will attend to this work out of office hours. He will for all practical purposes belong to the office of the Inspector General of Police and his pay will be drawn there. In the meanwhile, the Inspector General of Police may be requested to continue the existing arrangement.

Solicit favour of Copy orders.
